Improvements

Y. M. I. Plans
Rodeo Here

Redwood Council Young Men's In-
stitute will hold a rodeo here on
Sunday, July 28. Plans for the af-
fair are now being made by a com-
mittee of which Ernest Hecht is
chairman. Members of Hecht's
committee are Al Bullivant, M.
Flynn and Dan Foley. The rodeo
will be conducted by J. J. Miller,
jack of Sonoma, who conducted such
shows in all parts of the state. Riders
from all sections are expected to
participate. The council is provid-
ing a number of cash prizes and
silver cups for the winners of the
various events.

**MISS LOUISE BARADAT
DIES IN ARIZONA;
FUNERAL TUESDAY**

Miss Louise M. Baradat, 17, daughter
of Mrs. Philomena Baradat of
Belmont, was buried Tuesday from
St. Charles Catholic Church at San
Carlos. Interment was in Holy Cross
cemetery at Lawndale.

Miss Baradat was a student at the
Sequoia Union High School before
she was taken ill with a malady
which necessitated her removal to
Arizona. There it was hoped she
would regain her health, but she
passed away Thursday at Tucson,
Arizona.

**FATHER KENNEDY
KIWANIS SPEAKER**

Rev. C. E. Kennedy, for many
years pastor of Mt. Carmel church
in this city, and a charter member
of the Redwood City Kiwanis Club,
was the speaker at the meeting this
week, which was held at the Casino
at Emerald lake. Father Kennedy
spoke on the American government
and the traditions which have been
handed down from the founders of
this country. The chairman of the
meeting was C. G. Lambert.

The Redwood City Lions Club has
postponed indefinitely the Ladies
Night, which was planned for July
9th. The postponement was thought
advisable for the reason that so
many of the members are out of
town on vacations.

**Local Police
In New Office**

The Redwood City police force has
at last secured an office. Until
Tuesday of this week the police de-
partment has been rather an or-
phan branch of the city government,
occupying whatever space it could
find around the city offices which
was not needed for some other de-
partment. On Tuesday the police
force moved into the lower floor of
the manual training building in the
rear of the public library, and here
for the first time ample accommo-
dations are provided.

The move into new quarters for
the policemen was necessitated by
the city's need of an office for the
recently appointed city manager.
City Manager A. E. Rolison has
been temporarily quartered in the
small room in the city hall which
has for some time been occupied by
the police department. This ar-
rangement will be continued until
better accommodations can be pro-
vided for him. The lack of
room existing at the city hall as
the result of the defeat of the re-
cently proposed bond issue for the
enlargement of that building, have
necessitated many improvisations.

Until larger quarters can be se-
cured the council room in the up-
per part of the city hall will prob-
ably be used for various departments
of the city government including the
office of the city clerk. The council
will probably move the scene of
their labors to the upper part of
the fire house.

The change in the police office has
not made a change in the tele-
phone number, which is still Red-
wood 800.

**Popular Couple
Weds Saturday**

Last Saturday afternoon at St.
Joseph's church in San Jose, Miss
Betsy Graves of this city, became
the bride of Dr. A. E. O'Neill, well-
known local dentist. The ceremony
was informal and was performed in
the presence of a few close friends
of the young people.

Mrs. O'Neill is a graduate of the
University of California and also of
the California State Teachers Col-
lege in San Jose. For several years
she has been a member of the teach-
ing staff of the local school district
and has proved one of the most ef-
ficient and popular teachers in the
local schools.

Dr. O'Neill has been practicing
dentistry in this city in partnership
with Dr. Hatch. Together they have
built up a very good business. Dr.
O'Neill came here from Eureka.

Following the wedding last Sat-
urday, Dr. O'Neill and his bride left
on a wedding tour to be spent in Can-
ada.

**Funeral Held For
William Reynolds**

Funeral services were held Sat-
urday at the parlors of Layne & Tin-
ney for William Grant Reynolds,
who passed away at the home of his
daughter, Mrs. Marjorie Thompson,
at 216 Hudson street, following a
long illness. The services were con-
ducted by Rev. R. J. Currie of the
Congregational church and were
followed by interment in Alta Mesa
cemetery. Mr. Reynolds was the
husband of Mrs. Alma Reynolds.
He had been making his home here
with his daughter for several years.

**INDIANOLA COUNCIL
RAISES ITS CHIEF**

Tuesday evening Indianola Coun-
cil at its regular meeting raised its
chiefs as follows to their respective
offices for the ensuing term:

Prophetess, Rose Borges; Pochon-
tas, Gladys Richardson; Wenonah,
Elsie Van Riper; Powatan, Frank
Serecano; 1st Scout, Augusta Shar-
key; 2nd Scout, Jennie Borges; 2nd
Councillor, Mabel Hawks; 2nd Coun-
cillor, Maud Mallerk; 1st Warrior,
Ervid Coats; 2nd Warrior, Charles
Arata; 3rd Warrior, Charles Hauff;
4th Warrior, Alfred Jorgenson;
Guard of Forest, Louise Stewart;
Guard of the Tepee, Eddie Rand-
olph; Collector of Wampum, Clara
Keown; Keeper of Wampum, Mary
Mollison; Keeper of Records, An-
na Garcia.

After the chiefs were raised,
Louise Stewart was then presented
with her Past Pochantas jewel by
District Deputy Augusta Sharkey.
After the meeting a banquet was
served in the dining hall.

Al McDowell, who formerly con-
ducted a barber shop on the high-
way, near Broadway, is now con-
nected with the Marinello Beauty
Shop. McDowell, since leaving here,
has been in practically all of the
western states and says that he finds
conditions here to be far superior
to those encountered anywhere he
has been.

Mr. and Mrs. Herbert Treichel are
spending a few days in Yosemite
Valley. Enroute home they will
visit friends in Merced.

**HORSE SHOW
TO ATTRACT
BIG CROWDS**

Fine Animals Will Be
Shown In Events
At Stanford

Presenting a large field of con-
tenders including some of the fin-
est high bred horses in the United
States, the Third Annual Palo Alto
Horse Show will be staged on the
campus of Stanford University,
August 3 to 10. The attractive open
air setting and the championship
caliber of many of the entries are
expected to result in a show that
will take rank with the most suc-
cessful in America this year.

Entries already made include
strings of some of the foremost
stables in the country, assuring na-
tional scope for the show, it was
stated this week by Mrs. W. P. Roth,
president of the Palo Alto Horse
Association. Indications were said
to point to a total entry of more
than 300 high bred contenders,
matching performance in the show-
ing for trophies and stakes amount-
ing to \$20,000.

Nationally known experts have
been obtained to officiate as judges
of the various classes. Henry Cul-
lins of Devon, Pa., will pass upon the
merits of the harness horses and
ponies, roadsters, hunters, jumpers
and polo ponies. Marco Hellman of
Los Angeles will weigh the perfor-
mances of stock horses.

A. P. Fleming, one of the best
known horse show managers in the
United States, has been assigned the
task of staging the show. Fleming
has opened offices in the Chamber
of Commerce quarters at Palo Alto
and has initiated plans for the show
arena and other details of the event.

The show will open with a mat-
inee session on Saturday, August 3,
and continue with nightly perfor-
mances and several matinees. The
arena will be illuminated at night
with the brilliancy of day by a bat-
tery of high-powered lights. Open
air shows are considered by the fol-
lowers of the sport to be conducive
to superior performance and to the
best of the audience in the spectacle.

In addition to the eight days of
thrilling competition over the hur-
dles, in harness, and under saddle,
the show is expected to provide a
social event of outstanding impor-
tance.

**Probation For
Miss Willits Scored
By City Council**

The city council of San Bruno
this week passed a resolution de-
manding that some action be taken
in the case of Miss Nettie Willits,
former clerk of San Bruno, and who
pleaded guilty in the superior court
here to a charge of embezzlement
of city money. Miss Willits was granted
probation by Judge Geo. H. Buck.

In the resolution, a copy of which
has been sent to District Attorney
Franklin Swart and another copy to
the attorney general of the state,
the city council demands that the
district attorney take whatever ac-
tion may be necessary to have the
probation order set aside. In their
resolution the councilmen state that
the law of California provides that
person guilty of embezzlement of
probation shall be granted to no
state, county or municipal funds,
and maintain that the probation of
Miss Willits is illegal.

**REV. C. H. STEVENS
TO FILL LOCAL PULPIT**

Rev. C. H. Stevens, who for more
than ten years was pastor of the
Congregational church here, but
who is now making his home in
Palo Alto, will fill the pulpit of the
Congregational church here until
some appointment is made by the
church trustees. Rev. Stevens will
preach Sunday morning on the text,
"Faith Maketh the Heart Strong."
The morning service will start at
10:45 and Sunday school an hour
earlier.

During his pastorate here, Rev.
Stevens proved to be one of the
most popular ministers of Redwood
City, and his leaving here some
years ago was a cause of deep re-
gret to his many friends, who are
glad now to see him back in the
place which he occupied so well. It
is hoped by his friends here that he
may be appointed by the church
board as the permanent pastor in
this city.

Mrs. Charles Padgett entertained
a number of her friends at her Clin-
ton luncheon was a novel affair in
the street home Tuesday afternoon.
Many ways and was greatly enjoyed
by Mrs. Padgett's guests who were
Mesdames Maroni Jameson and
Fred Taylor, and the Misses Ethel
Headley, Pearl Beer, Alberta Choate
and Lidia Locker.

The free baby clinic which has
been maintained at the Women's
Club house, will be closed during the
month of July, and will be open
again in August.

**Eastern Star
Fetes Member**

Monday evening was an occasion
long to be remembered by members
of Sequoia Chapter No. 203 Order of
Eastern Star. On the that evening
Mrs. Nettie Dusel, Grand Martha of
the grand chapter of the state, was
tendered a reception by the local
chapter, of which she is a member.
Mrs. Pauline Ada Hause, worthy
grand matron of the state, was the
guest of honor of the evening, with
Mrs. Dusel, and many visitors prom-
inent in the order from all sections
of the state were present.

Prior to the meeting Mrs. Dusel
entertained a number of the visitors
at dinner at her home on Arlington
road. Her guests included Mrs. Vera
Munday, worthy matron of Sequoia
Chapter, and the following visitors:
Mrs. Pauline Ada Hause, Mr. and
Mrs. George Helwig, Mr. and Mrs.
Brad Butterfield, Dr. and Mrs. H.
Brash, Dr. and Mrs. Shelby Strange,
Mr. and Mrs. T. Counter, Mr. and
Mrs. Paul Karyl, and Mrs. Kate
Nichols, all of San Francisco; Dr.
and Mrs. J. L. Vickerson; Dr.
Gertrude Warner of Oakland; Mrs.
Bonnie Merrill of San Mateo; Mrs.
Ethel Trantow, Mrs. Bruce Felt and
Mr. and Mrs. E. B. Harvey of Stock-
ton.

At the reception in the evening
the Redwood Assembly of Rainbow
Girls, of which Mrs. Dusel is or-
ganizer and advisor, acted as escort.
An interesting and entertaining pro-
gram had been arranged including
harp solos by Miss Virginia Klussen
and several vocal solos by Miss Ruth
Felt of Stockton. An elaborate ban-
quet followed the reception.

**4th Is Day Of
Celebrations**

Legion Posts of the county joined
yesterday in a great celebration of
the Fourth of July held at the coun-
ty Memorial Park near Pescadero.
A program of musical numbers, ath-
letic events and stunts was enjoy-
ed by thousands of visitors to the
picturesque grove of redwoods.

The chairman of the celebration
was Dave McCullah, commander of
the San Mateo Legion Post. At-
torney James Davis of this city gave
the address of the day.

At Halfmoon Bay another cele-
bration was held which attracted
visitors from all sections of the
county. The celebration in the coast-
side town was preceded by an all-
night grand ball and was featured
by a parade participated in by
bands, fraternal organizations and
decorated floats. Three bands furn-
ished the music. They were the
Scout's band from San Mateo, the
Hayward American Legion band and
the Halfmoon Bay band. Col.
F. B. LaCrosse was grand marshal.

Following the parade literary ex-
ercises were held with Dr. C. L. Mor-
gan as president. The address of the
day was given by Horace Applelett,
San Mateo publisher.

A barbecue, athletic events, and
a dance and fireworks in the eve-
ning were other features of the
celebration.

Other municipalities through the
county also had programs and cele-
brations. An elaborate display of
fireworks was held at Emerald Lake
in addition to which there was a
program of music and entertain-
ment with canoeing on the lake and
water sports. The lake was deco-
rated with colored lights strung
through the trees surrounding the
bank.

**Funeral Held For
Mrs. Helen Schwarz**

Funeral services were held Wed-
nesday from the parlors of the
James Crowe Undertaking Company
in this city for Mrs. Helen Schwarz,
who passed away here on Sunday.
Services were attended by friends
from many parts of the state.

Mrs. Schwarz has made her home
in this city for the past four years.
She was the widow of the late Otto
Schwarz and mother of Charles M.
Bauhofer of this city and Mrs. Min-
nie Garcia of Los Angeles. She was
a native of Switzerland and 73 years
of age. She had been a resident of
California for the past 38 years. In-
terment was in Mountain View
cemetery in Oakland.

Mr. and Mrs. Phil Robertson of
Westwood are here this week vis-
iting with Mrs. Robertson's father,
F. P. Osborn. They came to be
present at the wedding of Mrs.
Robertson's brother, Wilmer Os-
born, which will take place Sat-
urday.

The free baby clinic which has
been maintained at the Women's
Club house, will be closed during the
month of July, and will be open
again in August.

Mr. and Joseph Baughn are en-
tertaining at their home this week
Mr. and Mrs. C. F. Marsh. The
latter is a sister of Mr. Baughn.

**BAY BRIDGE
FRANCHISE
PETITIONED**

Seeks Permit To Span
Bay In North End
Of County

An application will be made for a
franchise to construct a bridge
across San Francisco bay from
Candlestick Point in this county to
an opposite point in Alameda coun-
ty. This announcement was made
this week by John E. Manders, who
will apply to the supervisors of this
county for such a franchise on
August 14.

This will be the third application
to be made before the supervisors
for a bridge at this point, two others
having been refused by the board.
The present attempt to secure a
franchise for the construction of a
bridge at this point is thought to be
a last minute attempt to get a per-
mit before the state takes over the
regulation and construction of
bridges, which it will do on Septem-
ber 10. The recent session of the
legislature passed a bill which placed
the right of granting a franchise for
a toll bridge in the hands of the
state instead of the county.

Manders is said to represent a
concern of eastern bridge builders
and capitalists. His project, how-
ever, is thought to have little chance
of securing the necessary permit
from the board of supervisors be-
cause of that body's refusal on two
previous occasions to grant a fran-
chise for bridges at this same point.
The granting of a franchise here
will also be strongly opposed by the
city government of San Francisco.
The War Department has ruled that
only one low level bridge will be al-
lowed north of San Mateo. For this
reason the construction of a bridge
at Candlestick Point in this county
would ruin forever all hopes of a
bridge between San Francisco and
Oakland, which the supervisors of
San Francisco have been contem-
plating for several years.

**County C. of C. To
Need \$16,400 For
Work of Year**

A budget submitted to the board
of supervisors Monday by Fred H.
Drake, president of the San Mateo
County Chamber of Commerce
showed that the requirements of
that organization during the com-
ing year will be \$16,400. Of this
amount \$4800 is set as the amount
needed for salaries, general ex-
penses, \$1800, state fair exhibits and
photographs, \$1800, publications, \$3-
000; county scenic film distribution;
\$1000; development activities; \$600;
advertising space in newspapers, ra-
dio, etc, \$3000; and office expenses,
\$400.

**Drivers Licenses To
Expire August 14**

Members of the San Mateo coun-
ty traffic squad are preparing for
a period of brisk business next
month as all drivers licenses issued
prior to January 1, 1927 will become
void on the 14th of August. The
necessary forms for the renewal of
licenses will be supplied to the local
branch of the Motor Vehicle De-
partment some time prior to the ex-
piration date. All renewal of li-
censes will be accompanied by an
examination by the traffic officers
of the applicant's ability to drive.
No charge will be made for licenses
after that date.

The division of motor vehicles has
announced that a reasonable time
will be allowed after August 14th
for all persons whose licenses are
expiring on that date to secure new
ones.

**EXCHANGE CLUB
HEARS TALK ON
WAR EXPERIENCES**

Members of the Redwood City
Exchange Club enjoyed a talk Tues-
day evening by Colonel McCabe,
head of the department of military
taught at Stanford University. Col-
onel McCabe has been engaged in a
number of wars and recounted hum-
orous incidents during his soldiering
days. From his experience, the
Colonel was convinced that the bet-
ter we know people, the less occa-
sion we will have to war with them.
The chairman of Tuesday's meet-
ing was Al Robertson. The meet-
ing was held this week at the
Sweet Shop.

Mr. and Mrs. J. A. Polglase of
Middlefield Road left Monday for
Nevada City where they will spend
their vacation.

Mr. and Joseph Baughn are en-
tertaining at their home this week
Mr. and Mrs. C. F. Marsh. The
latter is a sister of Mr. Baughn.

**EXCHANGE CARNIVAL
TO ATTRACT STARS**

Champion Swimmers and Divers To Show
Skill at Sequoia Pool In Club's
Third Water Event

For the third time in three years
the Redwood City Exchange Club
is making arrangements for the ex-
hibition here of a number of the
world's foremost swimmers, both
men and women. The occasion is the
Third Annual Exchange Club Water
Carnival, which will take place at
the Sequoia pool next Tuesday eve-
ning at 8 p. m.

On the past two occasions the
club has been able to assemble a
galaxy of swimming stars includ-
ing some holding world records. This
year, through the efforts of J. M.
Eva, swimming coach at the Se-
quoia Union High School and mem-
ber of the local service club, the
program will contain the names of
even a brighter assembly of swim-
ming and diving stars.

Among the nationally-known fig-
ures who will take part in the water
carnival this year will be Lillian
(Bunny) Fergus, who added great-
ly to the success of the former car-
nivals of the club by her remark-
able swimming and diving. Miss
Fergus holds the national women's
diving championship.

Monta Morgan, world's champion
in the women's 100 meter free style
swim, is another who will be pre-
sent next Tuesday to participate in
the aquatic event as will also Lou-
Grove, Pacific Coast 50 yards wom-
en's junior champion.

Elizabeth McDonagh, Pacific Ath-

CALIFORNIA NEWS BRIEFS

Ernest D. Shepherd, assistant manager of the San Jose branch of the Bank of America, has been appointed city treasurer, replacing George B. Campbell, resigned.

The construction of a road from Big Rock Canyon to Nicasio, at a cost of not to exceed \$1750, was authorized by the Marin County Board of Supervisors at a recent meeting.

Final tests of the new sewer system installed at San Rafael were held recently. Acceptance of the system has been delayed because of its failure to operate properly in previous tests.

A gigantic topographical relief map of Tehama county on which special attention is to be paid to Lassen Volcanic National Park, will be the centerpiece of the Tehama county exhibit at the state fair in Sacramento in September.

With important items aggregating \$11,050 omitted because of a lack of funds, the budget for Vallejo school district for the new fiscal year beginning July 1 will total \$291,668. The budget for the year now ending totaled \$299,631, indicating a reduction next year of \$7,963.

The Oakdale Irrigation District treasury had a balance of \$64,160.88 the first of June, according to the report of Treasurer Maxwell to the board. The funds were apportioned as follows: Bond and interest, \$47,807.66; general, \$3,077.82; construction, \$17,963; revolving fund, \$1,940.50; Melones, \$11,317.14.

The transportation field was further invaded by motor buses when the Southern Pacific Motor Transport Company opened service between Vallejo and Crockett to replace the ferry service to Vallejo Junction. Connections between Vallejo and the Southern Pacific main lines are made at Crockett instead of Vallejo Junction.

Residents of Palo Alto now await the start of construction of the new \$450,000 hospital for Palo Alto, Stanford University and surrounding community, following the success of a recent \$250,000 bond issue. This was the city's share of the hospital project, the other \$200,000 having been raised through public subscription.

Butte county probably will cease within a very short time to act as custodian of a valuable stamp collection, District Attorney J. A. McGregor said. McGregor said that his office had received several inquiries regarding the large book of stamps and one bid of \$385 has already been made him.

One of the large jobs in store for the state bureau of fish reclamation, headed by George Neale, is the rescue of 100,000 steelhead trout from a stream thirty miles north of Clear Lake in Mendocino county. Neale learned the fish were in danger of being trapped by low water. When they are his men will net and transfer them to El River. Within a year's time Neale has saved millions of fish from "water traps."

Ninety thousand dollars a year will be cut from electricity bills in and about Eureka as a result of a Pacific Gas and Electric Company rate schedule, effective immediately. That company recently acquired the Eureka division system of the Western States Gas and Electric Company. The Pacific Gas and Electric Company has been authorized by the State Railroad Commission to substitute its own rates for those previously charged by the Western States.

Three Fresno State College students almost wished they had remained in jail to face burglary charges rather than the alternative of Student Council disciplinary measures. Dick Wilkins, Lawrence Beavers and Raymond McHenry decided cats were annoying them in hours meant for sleep. They chose a scientific mode of extermination and entered the college through a window for chemicals to concoct a deadly poison. But policemen saw them and they spent the night in jail. The college announced it would handle its own discipline.

Sausalito's fears over a rumored prospect that Tiburon was to become an auto-ferry terminal of prime importance were allayed following receipt of a telegram from B. B. Meek, state director of public works. Meek, addressing E. W. Jackson, president of the Sausalito Chamber of Commerce, said that Sausalito was to remain as the primary entry link between San Francisco and the north. He said that the north bay city's alarm might have been brought about by the intention to improve the Belvedere-Tiburon crossing and a cordoned highway to a road of secondary character. Meek also said that work was about to start to improve links in the highway between Sausalito and San Rafael.

The amount of \$4,400,000 has been requested by the yard officers to be spent at Mare Island during the next six months on new work. The sum of \$1,500,000 will be spent from July to December in labor and material on the new diver V-6 while \$2,900,000 is necessary to pay for labor and material on the new cruiser Chicago.

Fifteen arrests were made recently by W. B. Sellmer, game warden, and Mrs. W. B. Sellmer, deputy game warden, for possession of undersize abalone along the Marin County coast. In each case the offenders were fined \$25.

Fifty California Counties have chosen elementary and high school spelling champions for the second annual California spelling bees at the Diamond Jubilee State Fair and Western Exposition in Sacramento August 31 to September 9. Last year's high school champion, Randall Leonard of Placer county will not be present to defend his title. Cash prizes for \$200 for first place, \$100 for second and \$50 for third are to be awarded in each class contest. There is also to be gold, silver and bronze medals to be awarded by Governor C. C. Young.

Safety signs are being erected at each edge of town on the highways leading into Pittsburg by the local Post of American Legion.

A recreation and amusement park near the automobile entrance to Muir Woods is being planned by Josef Landgraf of San Francisco.

D. J. Byron, San Jose contractor, won the contract to build the new juvenile detention home for Santa Clara county. The bid was \$67,897. Work will start within a few days. The building is being built under orders of the Board of Supervisors.

Permission to construct the \$250,000 North Fork highway bridge over the Western Pacific railroad tracks crossing the Feather River four miles east of Oroville has been granted the state highway division by the California Railroad Commission.

The gymnasium building at Napa Union High School will be doubled in size during the vacation months. The work will cost about \$7,000.

If a school teacher is doing her work satisfactorily in California schools, she is entitled to protection in her job under the State tenure act, even though she may reside outside the State borders. Sam H. Cohn, deputy State superintendent of public instruction, so ruled.

Because it had become dangerous to pedestrians and traffic due to dry rot, a portion of a large oak tree, estimated to be 125 years old, has been removed at the home of Mr. and Mrs. Jesse Sank at Oroville. The home on the Sank property was built in 1856, one of the first houses in the city.

The spirit of the Old West with all its glamor and picturesqueness will be revived when the California rodeo stages its eighteenth annual "Big Week" at Salinas July 17 to 21, inclusive. With more than \$40,000 in purses and an array of valuable prizes the event is expected to draw the greatest attendance in its history.

A petition for a permit to carry express on buses that run from Del Monte Junction to the Monterey peninsula will be forwarded in the next few days to the Railroad Commission. The move sponsored by a group of business men of Monterey, Pacific Grove and Carmel, is being taken because of the decrease of express facilities following the withdrawal of several trains which formerly served the peninsula.

B. W. Greim, electrical engineer of the Modesto Irrigation District, recommended that the board of directors of the district accept the bid of the Worthington Manufacturing Company for two Diesel engines and the bid of the Westinghouse Electrical Manufacturing Company for the furnishing of two generators be accepted. The two units would cost \$109,430 and would provide generating capacity totaling 1200 k. w.

Merced County Supervisors have accepted bids on two franchises for gas distribution from the Southern California Gas Company of Los Angeles and the Consumers' Gas Company of Los Angeles, pending approval of the franchise ordinances. The Southern California gas project contemplates piping natural gas from the Kettleman hills oil field in Kings county to various San Joaquin Valley cities. The Consumers' Gas Company proposes to construct a half-million-dollar coal gas manufacturing plant and distribution system on the west side to serve Los Banos, Dos Palos, Gustine, Newman and Patterson.

New insight into the paleontological and geological history of California was revealed in a published report of a study of the Pico and Saugus earth strata in Ventura county, just completed in University of California scientists. The Pico and Saugus formations, probably the greatest sections of pleistocene and pliocene strata on the Pacific Coast, are said to present the most reliable historical evidence of California's past. The newly published booklet was written by Louis N. Waterfall, former graduate student. By collecting shells he was able to accumulate approximately 188 species of fauna, thirty-two of which are now extinct.

University of California specialists in forestry have completed their annual state tour in the interests of better rural fire protection. Woodbridge Metcalf and J. P. Fairbank were in charge, traveling in a truck equipped with the most modern pumps, hose, nozzles, fire extinguishers and hand tools. They held demonstrations on Mendocino and Tehama counties on the north to San Diego on the south. They traveled more than 6000 miles and held 114 demonstration meetings, attended by more than 12,000 persons.

The Baker crime bill providing for the appointment of six detectives to co-operate with counties in criminal cases and carry on independent investigations, was signed by Governor C. Young. The men will work out of the Bureau of Criminal Identification in Sacramento under Clarence Morill, identification expert. The measure was sponsored by Senator C. C. Baker of Salinas.

The Western Pacific Railroad Company lost its fight to build a branch line in the San Joaquin Valley. The Interstate Commerce Commission, at the request of the Southern Pacific Company, denied the application of the Western Pacific system whose officials wished to build eastward from Brack for three miles. Representatives of the Western Pacific Railroad Company, Southern Pacific Company and the Great Northern Railway Company met in Modesto to discuss the proposed extension of the Great Northern system into northern California.

The San Mateo County Board of Supervisors was named defendants in a \$6,496 lawsuit filed in the Superior Court by the Hanrahan Company, San Francisco paving contractors. The suit is the sequel to the refusal of the supervisors to pay a paving bill for work done in the Visitation Valley school district, the board holding that it was not responsible for the claim. Contracts for plumbing, ventilating, refrigeration, mechanical and electrical installations at the new county hospital at Eureka totaling \$60,142.45 have been awarded by the county supervisors.

Quits Reading to Aid Hitting

FOR you who may be superstitiously inclined, here's one: If you can explain why Willie Kamm, Mr. Comiskey's \$100,000 third sacker, is knocking baseballs to various and sundry parts of the South side emporium to the tune of a 380 batting mark then you are the person Willie is looking for.

Willie used to be a diligent reader, says John C. Hoffman in the Chicago News. He used to say it improved the intellect. Now he refuses to look at anything that resembles a newspaper. Superstition, you see.

"This is tough on me in some ways," Willie laughed. "To be frank with you, I don't even know what I am hitting. I know it will change my luck if I look at a newspaper."

It was only under protest that he submitted to a photographer's whims.

"Bluffety bluff," Willie protested, much as he would upon looking at a bridge hand full of small cards. "I know this will ruin my hitting now. You fellows are always doing something to a guy."

"But why are you hitting like this?" we insisted.

"Don't talk about it," Bill grumbled, brandishing a bat and then disappearing into the dugout as if it was wasted effort even to use a bludgeon on the empty cranium of a baseball writer. But here are some reasons why Kamm may be hitting a 14 Hornsby or Cobb.

Take your pick:

1. He gave up golf last winter.

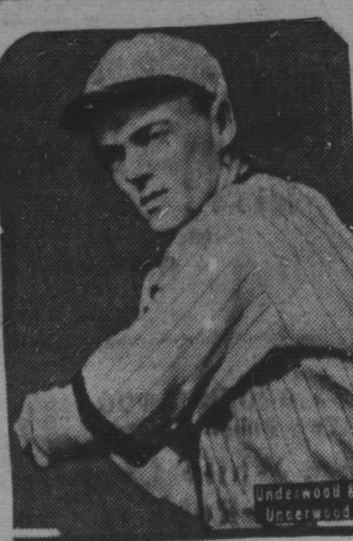

2. He doesn't crouch over the plate as much as he formerly did.

3. He is reconciled to his fate.

4. Until recently he suffered with a severe cold. Some people do better when they are not feeling well.

5. After all, Willie may be just a great hitter and the experts couldn't discover it. They wouldn't, anyhow.

6. His roommate, Bib Falk, has gone elsewhere. Was Bib a bad influence?

Willie Kamm.

Pitchers Disturbed by Fear of Being Jerked

Here's what the Sporting News has to say about the jerking of pitchers.

"Talking about the angles of pitching, has it been mentioned that most have achieved, through pitching, has come when Manager Howley has sent a loxman in there and made him stay in? Which bolsters up another theory: That the best way to get real pitching is lay it down flat to a boxman that he has to go through the full nine innings, if it is murder in the first degree."

"The pitcher who knows he has to stand in there and take it, is at least going to keep his mind on his pitching, as a matter of self preservation. When his attention is divided between the batters in front of him and the manager on the bench behind him he can't concentrate. One eye and ear are cocked sideways for the call to get out, from the manager, every time the worried boxman shows signs of wobbling or gets in a hole. He is thus mentally disturbed and apprehensive. Out of the corner of his eye he can see the wig-wagging to the bullpen for the relief man to hurry. All in all, if he has any notion of bearing down it is taken out of his system; his fate for the day has been sealed."

"The manager may have an alibi, doubtless it seems a good one from his viewpoint, but facts do disclose that the pitchers on any ball club who get nowhere are those same who are in and out all the time at the beckoning of the impatient boss."

Broke World's Mark

Elwyn Dees of the Lorraine (Kan.) high school, who recently broke the world's record for the 12-pound shot put when he heaved the iron ball for a distance of 58 feet 1 1/2 inches at the recent annual Kansas interscholastic track meet.

Former Stanford Coach

Handles Columbia Line

Edward Walker, former coach of the Stanford university line under Pop Warner, has been engaged to replace John Depler, resigned, as head line coach at Columbia university for the coming football season.

Walker played at Stanford for three years, being graduated in 1925. In 1926 he coached at Iowa and since that time has coached the line at Stanford. Depler, the former Illinois player whose place he fills, resigned recently to devote all of his time to business.

Would Practice Law

Harold "Muddy" Ruel, veteran backstop of the Washington baseball team, has asked permission to practice before the Supreme court of the United States.

Ruel is a member of a law firm in St. Louis, when not playing ball, and is looking forward, when his baseball days are over, to the argument of constitutional questions before nine black-robed umpires who wear no masks or chest protectors or rather the Supreme court.

ILLINOIS LOOKS FOR STRONG TEAM

Well Fortified Squad Will Try to Retain Title.

Football champions of the western conference for the past two years, the University of Illinois will look to a squad well fortified with experienced players as it essays to retain the title.

Twenty men who have won the traditional orange "I" will form a nucleus which looks impressive, but only part of them can be regarded as regulars as Coach Bob Zuppke recommended 26 players for honors at the close of the 1928 season. Then there are certain to be defections for scholastic and other reasons.

The Illini need new tackles most of all, then centers and ends. The backfield outlook is promising since the number of veteran backs is increased by the return of Frank Laum, quarterback in 1926, whose punting, passing and all-around ability will be a noteworthy addition.

The nucleus of lettermen is as follows:

Two-year lettermen: Captain Crane and Vietz, guards; Gordon and Burdick, tackles; Jolley, end; Timm, Mills, Humbert, Walker and Peters, backs.

One-year lettermen: Hills, tackle; Roush, center; Langhorst, guard; Lewis and Tarwalin, ends and Bergeson and Hall, backs.

Lettermen from previous years: Frank Laum, 1926; A. E. Wolgast, 1927 and Joe Green, 1924 and 1925.

Among the promising sophomores will be the following: E. J. Kaval, A. C. Dease and L. Bulpitt, centers; R. G. Nusspeckel, tackle; H. L. Smith, guard; J. C. Evans, A. F. Schultz and D. C. Munch, backs and H. J. Steinman, end.

Out of the 26 players who received varsity letters last fall, only three will be available for the 1930 team, which indicates that Zuppke will be interested in the development of sophomores and in the ability of incoming freshmen.

The coach himself is in the far West, instructing in two summer courses and spending the rest of the time in painting and other recreations. Zuppke realizes that his men face a stiff schedule in Kansas, Northwest, Chicago, Iowa, Ohio State, Michigan and Army.

The Illini practice opens September 16, since September 15, the legal day for beginning, falls on Sunday. The 16th is also the first day of registration at the university so that the Illini will have no opportunity for uninterrupted practice as will be the better fortune of several rivals.

Dazzy's Fast One

A closeup of the mighty right hand of Dazzy Vance, blond pitcher of the Brooklyn Robins, showing how the dazzler grips the ball when pitching a fast one. And when that fast ball speeds across the plate, very few batters swing in time to meet it.

Sporting Squibs

Ray Neal of Wabash has been named line coach at DePauw university, a rival school in Indiana.

Miss Helen Willis, world's tennis queen, hopes to continue activity on the courts until she is sixty years of age.

The fencing revival in New York has grown to such proportions that the Fencers' club is building a ten-story house.

A cement amphitheater, seating 15,000 spectators, is under construction in Paris, France, for the 1929 Davis cup tennis matches.

Stanford's 1929 football team may be without the services of Walt Heinicke, star center, who is reported to be taking treatments for heart trouble.

San Francisco may hold an open golf tourney next winter. It may be worth \$5,000 to \$10,000, and will be held either before or after the Los Angeles open tourney.

E. L. Foster, a British woman, competing at Bisley, England, made a new world's record rifle score of 105. Shooting at 200 yards she scored 35, another 35 at 500, and a third 35 at 600.

Lester Bolstad, a former Big Ten golf champion, and runner-up on another occasion, is captain of the University of Minnesota's links team for the second year and also serves as coach.

Only six horses have won more than \$200,000 in the history of the American turf—Zev, Man o' War, Exterminator, Sarazen, Display and Crusader. Nine thoroughbreds have brought in \$100,000 or more.

No player has won the United States open golf championship twice since Jack McDermott managed to turn the trick 17 years ago.

In six of the last ten United States open golf championships, Bob Jones, amateur ruler of the links, has finished in second place or better.

The fencing championship of Europe was captured recently in Naples by an Italian team, scoring three victories, and Hungary third.

FARM POULTRY

CLEAN GROUND IS BEST FOR RANGES

One of Most Important Points in Growing Pullets.

Clean ground for ranging is one of the most important points in the growing of healthy pullets which will become vigorous and profitable layers. It is pointed out by the poultry husbandry department of the Ohio State university.

"A large percentage of the mortality in the growing flock, as well as in the mature laying flock, is caused either directly or indirectly by intestinal parasites," P. B. Zumbro, poultry specialist, says in a recent extension service publication. "These parasites, as well as many disease germs, are carried over from year to year in the soil."

Zumbro urges that chick ranges be on land on which no other chicks have been raised or old hens ranged, for at least two years. Alfalfa, he says, makes one of the best chick ranges. Clover is almost as good, and blue grass comes next.

"Many poultry men think an alfalfa or clover field is too valuable for rearing chicks. This is a mistake. Poultry grown on good range will give a return equal to that from any live stock, or better. Good results can be obtained by having two or more ranges, and a crop can be grown in the meantime. This method will provide clean range and will enable the owner to have the brooder house near the farmhouse, saving time in going to and from the house. When this method is used, one acre of land should be provided for each 500 chicks."

Wonderful Feats With Turkeys Are Reported

Really wonderful results with turkeys are reported from the Ontario government turkey farm in Norfolk county. Years ago this province used to raise turkeys by the thousands but disease got in and flocks have been diminishing to such an extent that each year thousands of birds are brought in from the West. The disease puzzled people and except where there was unlimited range the raising of turkeys languished. Even in the places where there was plenty of range, such as in the rocky districts on the edge of forest lands, difficulties in the shape of foxes and wolves were encountered. It looked for a while as if there would be practically no turkeys raised in Ontario. But Prof. W. R. Graham took hold of the thing and he soon found out that the disease came from the ground and the germs were so hardy that they could live over in the coldest weather. He adopted the plan of feeding everything in troughs and moving these troughs each day and his results have been unusually successful. Losses have been light on the experimental turkey farm and some excellent birds raised.

Poultry Notes

It pays to worm the poultry. It requires 21 days to hatch hen eggs.

Care must be taken that chicks do not crowd in corners and smother.

Shut the sheep in at night, allowing them to bed in the corral or shed.

Coccidiosis usually occurs in young chicks from two to six weeks of age.

When the pullets are about eight weeks old, they can be removed to the rearing ground.

Tapeworms have been named as the cause of death of 50 per cent of the chickens in some flocks.

Changing breeds every year has never yet been found a safe foundation for a profitable poultry business.

A month lost in growing out pullets means the loss of a month's production next fall when eggs are a good price.

Any variety of wheat is good for poultry. In fact, small undeveloped shriveled wheat if dry is even better than the fully developed kernel.

The farmer who produces eggs of uniform color, weighing an average of 23 ounces per dozen, and which are held in a cool cellar, can ship to eastern markets by express to advantage.

The profit from the farm flock depends to a large extent on the number of eggs the hens lay.

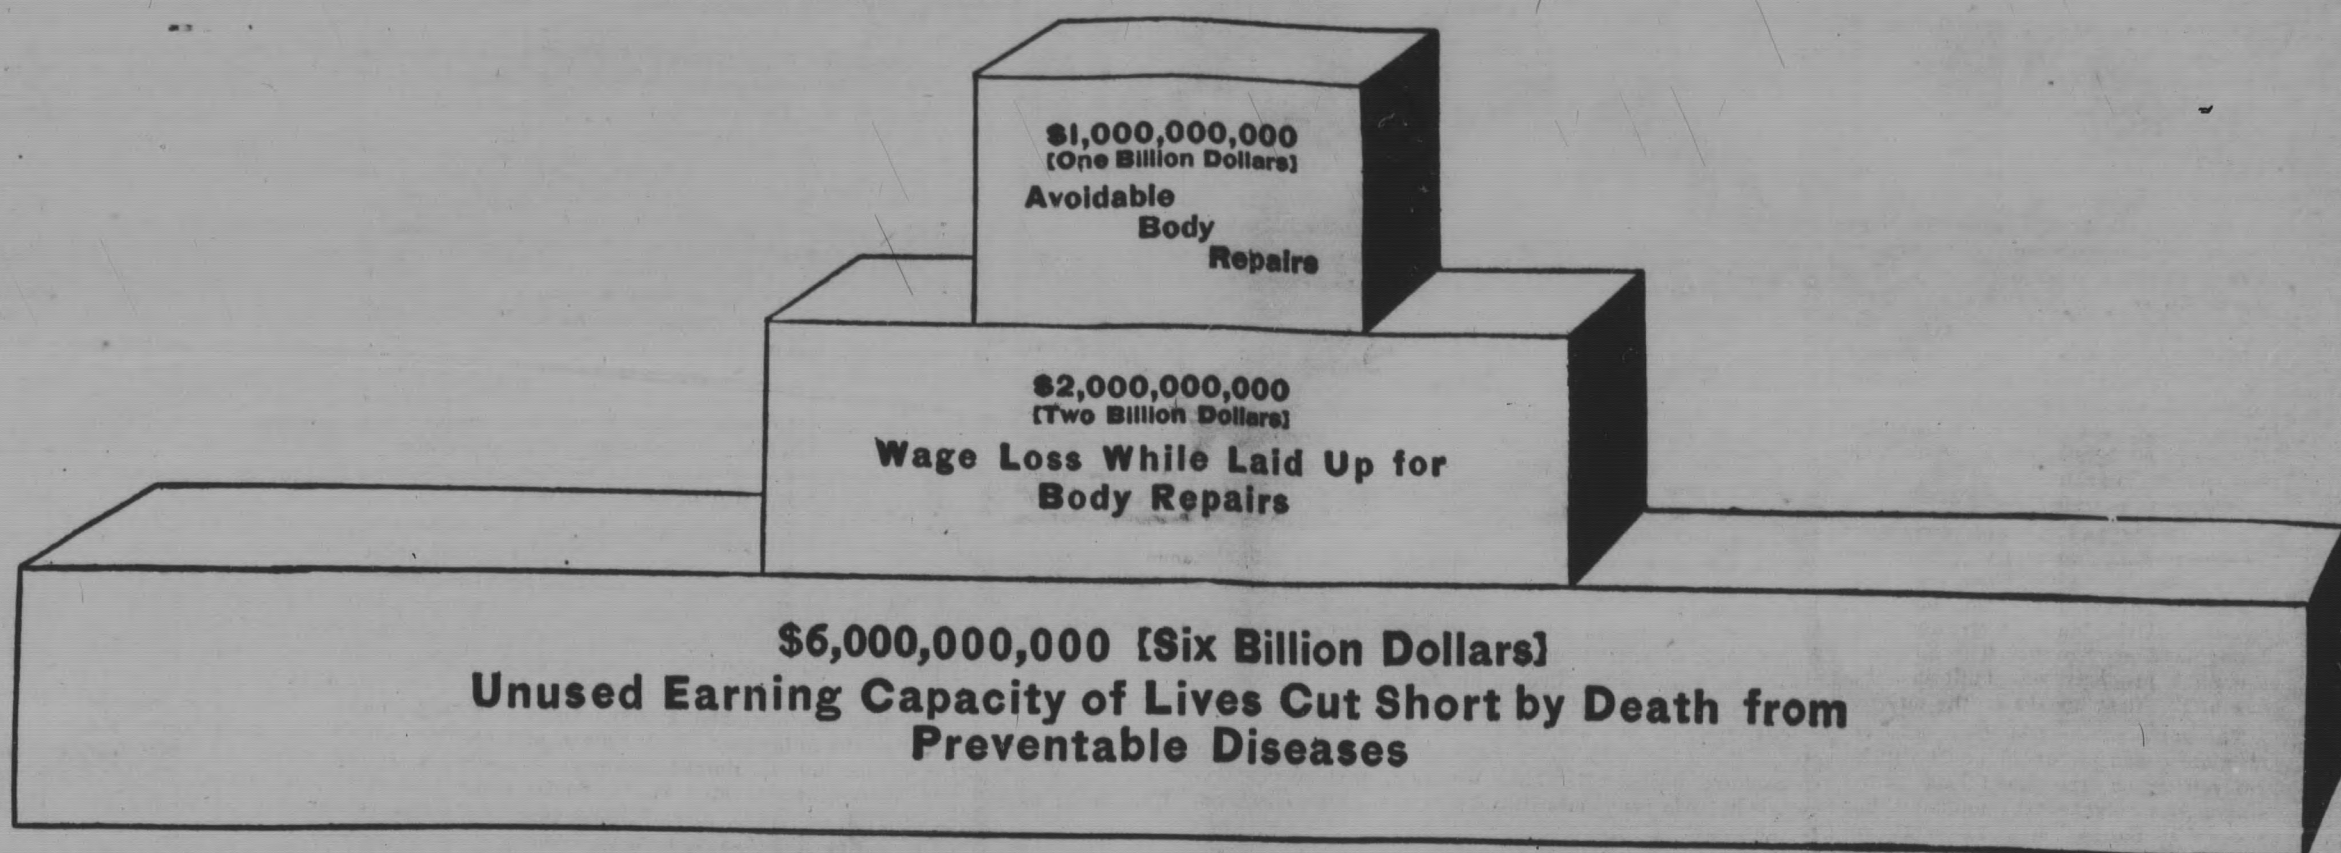

Hens cannot lay eggs without protein. Skim milk is one of the best forms of protein for use with all classes of poultry.

Mongrel geese plucked regularly yield one pound of feathers a year. Pure-bred geese yield twice as many and, besides the good prices of feathers obtained, the goose is worth as much as it ever was.

Tight floors should be provided to protect the ducks from attack by rats and other rodents.

Ground oats and ground barley are of equal value in a ration for chickens. Both of these feeds run rather high in crude fiber.

Egg production cannot be increased by crossing two high-producing egg strains, nor can vigor and vitality be increased when both parent stocks possess these qualities to a high de-

Health Is Wealth

There is wealth in health. Healthy towns are prosperous towns, and prosperous towns are healthy towns.

An army of trained men, working in every state in the Union, have quietly been gathering facts for years. They have conclusively proved that *community health and wealth go hand in hand*.

Would you like to know some of the facts these men brought to light?

They found that the conditions of the home and family living are the chief causes of health or sickness. Prosperous, sanitary, hygienic, happy homes are essential to healthfulness.

Sickness is the second main cause for charitable aid.

The average family spends about \$100 a year for health. This covers doctor bills, hospitals, medicines and dental services.

Nine out of every ten persons are sick every year. This covers a range from slight accidents and indispositions to serious and prolonged cases. One week is the average period of sickness.

On the average, there is one doctor and one nurse for about every 750 people. There should be one hospital bed for every 160 people. Only about 5,000 people are necessary to support a hospital.

One dollar a person in the average community will support a good health department. Such a department should be in charge of a competent health officer.

Pure water, sewage and garbage removal must be provided. Sanitary inspection service of food and milk should be maintained. Control of preventable and communicable diseases is necessary. Sanitary schools with a health inspection service, health education, proper school heating, lighting and ventilation are essential.

Auxiliary health agencies such as the Red Cross, Anti-Tuberculosis Association, Visiting Nurse, Child and Infant Hygiene, Clinics (medical-dental), health publicity and educational work, general hospital facilities, and numerous others are all doing a necessary work and should be supported.

Periodical medical examinations disclose defects or conditions of importance. In one out of every four persons the length of life can be increased 25% and more by periodical examinations. Doctors have increased the average span of life about nine years. Your doctor and dentist would sooner help you keep well than try to cure you when you are sick.

Your druggist, your grocer, your butcher, your plumber, and, indeed, all your dealers are in their way educators in the art of healthful, sanitary and hygienic living.

By the use of their services and materials, you can be both healthier and more prosperous.

Proper living conditions are necessary to health. Health is necessary to prosperity. Health is wealth.

The illustration on this page shows an astounding yearly loss from sickness—from PREVENTABLE sickness. Let's talk it over with our neighbors and strive to prevent that part of the loss suffered by ourselves—by

SUMMONS

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

WILLIAM E. DOUD, Plaintiff

vs. R. A. DOUD, and All Persons unknown who have or claim any interest in or lien upon the property hereinafter described, Defendants.

No. 15976

The People of the State of California Send Greetings To:

R. A. DOUD, and All Persons unknown who have or claim any interest in or lien upon the property hereinafter described, DEFENDANTS:

YOU ARE HEREBY DIRECTED to appear and answer the complaint in an action entitled as above brought against you in the Superior Court of the State of California, in and for the County of San Mateo, within ten days after the service on you of this summons—if served within this County; or within thirty days if served elsewhere.

AND you are hereby notified that unless you appear and answer as above required, the above named Plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract or by operation of law.

The said action is brought to obtain a judgment and decree of partition of the following described real property, situate, lying and being in the County of San Mateo, State of California, particularly described as follows, to-wit:

BLOCKS "A" and nine (9) as shown on that certain map entitled "Map of Concordia Land

Company's property San Mateo County, Cal., filed in the office of the County Recorder of San Mateo County, January 21, 1907, in Book "B" of Original Maps at page 50 and copied into Book 4 of Maps at page 50 thereof. GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the County of San Mateo, this 26th day of April, 1929.

ELIZABETH M. KNEESE, Clerk

By E. F. CERQUI, Deputy Clerk

First publication in Times-Gazette June 7, 1929; last publication, August 9, 1929.

NOTICE

Controller's Department)

To the Tax Collector of the County of San Mateo, State of California:

WHEREAS, a deed or deeds conveying to the people of the State of California the title to the property hereinafter described having heretofore been filed in the Controller's office of the State of California;

AND, WHEREAS, said deed or deeds recite the fact that said property hereinafter described was sold to the people of the State of California for the non-payment of State and county taxes;

NOW, THEREFORE, in pursuance of the law in such case made and provided, I, RAY L. RILEY, Controller of the State of California, by virtue of the authority in me vested by the laws of this State, do by these presents authorize, empower, and direct you, the said Tax Collector, to sell at public auction, in

separate lots or parcels, the property hereinafter described.

The property above referred to, and hereby authorized to be sold, is situate, lying and being in the County of San Mateo, State of California, bounded and particularly described as follows, to-wit:

Property sold to the State June 19th, 1917, for the delinquent taxes of 1916:

Lot 22, Block 2, Francis Beach, Deed No. 123.

No bid shall be received or accepted at such sale for less than the amount of all the taxes levied upon such property, and all costs and penalties for every year delinquent as shown by the delinquent rolls for said years and also all tax liens up to the date of the execution of the deed to the State, together with interest at seven per cent per annum and also the graduate redemption penalties required under Section 3617 of Political Code computed upon the aggregate amount of the taxes for each of said years from the first day of July following delinquency to the date of the sale hereunder, and all expenses accrued to the date of the sale under this authorization.

Said sale shall be conducted in and for the County of San Mateo, State of California, at the office of the Controller, at Sacramento, on the 11th day of June, A. D. 1929.

RAY L. RILEY, Controller

By CLARENCE H. SMITH, Deputy

Therefore, in pursuance of law, public notice is hereby given that I will, on Monday, July 8th, 1929, at the hour of 10 a. m., in my office in the County of San Mateo, State of California, sell in separate parcels, at public auction to the highest bidder, for cash, in lawful money of the United States, the said property

hereinabove in said Controller's authorization is hereby made a part of this notice, to-wit:

Situate, lying and being in the County of San Mateo, State of California, particularly described in said deeds to the State above referred to as follows: to-wit:

Capitol Letter

By CLEM WHITAKER
SACRAMENTO, July 1.—(CNB)—Governmentally speaking, today's another day, or another biennium, to be exact.

With the start of the week, the state government literally turned over a new leaf and embarked on the 1929-31 biennium—a two-year cruise in uncharted seas, both in politics and business.

If all goes well, California will inaugurate three new state institutions during the biennium—a Women's Prison, a new \$10,000,000 state hospital and an Intermediate Prison for youthful offenders.

During these two years, also, it will officially usher in the Eagles' old age pension system of a dollar-a-day for persons over 70; Assemblyman Ernest C. Crowley's blind aid program and a plan of assistance for crippled children.

Financially, the 1929-31 ledger calls for total expenditures on government of \$244,075,305.97—slightly more than a 12 per cent gain. In this is included a \$10,000,000 building program touching virtually every section of the state.

And politically, the new biennium will determine whether or not California shall continue under the reign of Governor C. C. Young for the following four years, or change rulers.

San Mateo county and Redwood City will have a neat legacy to look forward to during the two years, also. Both city and county will participate in an \$80,000,000 governmental agencies under various state-aid programs.

Local highways and school funds, particularly, will receive substantial increases in their allotments from the state. As tentatively shaped, the state government plans to allocate some \$54,000,000 to counties and cities for educational purposes and about \$33,000,000 for road building.

Turning to a less pleasant subject, California seems to be speeding toward a record of questionable distinction—an unprecedented automobile death toll.

For the six months just ended, according to Frank G. Snook, chief of motor vehicles, motor crashes claimed 1006 lives in the state, with another list of 16,577 maimed and injured.

The driving fool, supremely careless, was responsible for an overwhelming majority of the traffic accidents. Cutting-in, road-hogging, failure to stop at "Stop" signs and just plain criminal carelessness were other big factors in the terrible death record, according to Snook.

San Mateo County's death toll mounted to 20 for the six months, with 27 other lives forfeited in adjoining Santa Clara county.

For the farmer, behind the plow, there's promises of good news in the very near future, however.

Plans for the construction of a giant refrigeration depot on the San Francisco waterfront, designed to facilitate the handling of California's food products bound for foreign markets, are all but complete.

Conferences between Major C. L. Tilden, chairman of the State Harbor Commission, and H. S. Scott, one of the principal owners of the Mission Rock site, are now underway, with hope of an early decision.

In the event the state does not receive what it considers to be a fair offer from the Mission Rock owners, three other sites are available for the great cold storage plant, according to Lyman King, a member of the State Board of Control. The plant is definitely promised in time to handle the 1930 crop.

There's something new in store for the Redwood City school boy, too. Radio education will make its debut in California, probably with the start of the fall term Educational programs on the air are planned, with state savants now working out preparations for a state-wide daily school hook-up.

COUNCILMAN TELLS OF APPOINTMENT OF MANAGER ROLISON

Candidate Selected Is A Man of Experience, Executive Knowledge and Tact; Well Known In California for Years

Mr. Norman Rolison, who has been selected as city manager of Redwood City, has just received his appointment from the board of freeholders. Mr. Rolison is a man of experience, executive knowledge and tact; well known in California for years. He has been a city manager for several years in Berkeley and was one of the advisors of the Board of Freeholders. The council is unanimous in its selection of Mr. Rolison as city manager. Mr. Rolison brings to Redwood City a wealth of experience in engineering work largely of a municipal character. He was highly successful as city manager of Redding for nearly eight years and while there made great progress in the improvement of the city while at the same time reducing the cost of the government. From there Mr. Rolison went to the city of Santa Barbara and while working under very disadvantageous conditions, gave very satisfactory services of the city until the abolition of the city manager form of government. Santa Barbara is one of the few cities in the country that has abandoned this form of government and the explanation of this was given to the Board of Freeholders by Professor Cottrell of Stanford University who said that there were two factions in the city, each of whom was more concerned in fighting the other than in joining together to promote the good government of the city as a whole. Each faction had a newspaper and a group of men and capitalists behind it and the result was that Santa Barbara was in such a turmoil that the city manager form of government could not be made to work. Notwithstanding this situation, Mr. Rolison accomplished remarkable results there in engineering and executive work and left a highly creditable record behind him.

For the past year Mr. Rolison has been engaged in professional engineering work serving a number of cities, counties and irrigation districts in Central California as an expert in various engineering problems and in representing such communities in presentation of applications before the Railroad Commission and readjustment of public utility rates. He has come to Redwood City because of his conviction that that new charter and the city manager form of government provided by it are being launched under such favorable circumstances and the city shows such evidence of determination to make progress as an industrial community as well as a highly desirable residential locality, that he believes that it offers to him a great opportunity to demonstrate his capabilities.

Mr. Rolison impresses the councilmen with having not only administrative ability but the tact and diplomacy appropriate to satisfy taxpayers and citizens and to hold the heads of the departments to a high degree of loyalty to the city. While at Santa Barbara Mr. Rolison received a salary of \$500 a month; in view of the difference in size of the cities, he has agreed to accept \$400 a month, which was all that the council felt it could offer during the first year when it is up to Mr. Rolison to demonstrate to the taxpayers his ability to save them money.

PAUL A. MCCARTHY

Order an Extension Telephone Today

Just as you appreciate electric lights in more than one room in the house, so you would appreciate an extension telephone. Its cost is only a few cents a day; its convenience is great, and sometimes it is even a factor in guarding the safety of your household, day or night.

The cost is very small. Just call our Business Office and say "I want an extension telephone."

Beer Seized In Sheriff's Raid

A raid was conducted by Sheriff McGrath, and deputy Tom Maloney Sunday on a residence belonging to E. Kirby, near Beresford. The officers arrested Kirby on a charge of making liquor illegally and confiscated 250 cases of beer. An elaborate equipment for the manufacture of the beer was also seized by the officers.

SUCH IS LIFE — "Such Is Life"

By Charles Sughrue

Yaquis Yield Independence

Mexico City.—Mexico's fiercest warriors, the Yaquis, have at last agreed to be commanded by non-Yaqui leaders. For 400 years—300 under Spanish rule, 100 under Mexican—the Yaquis maintained their independence, refusing to be conquered. Lately at the end by the government, with their country in ruins, they now go one step further in becoming Mexicanized by their acceptance of a "foreign" commander.

Port Perote, a mountain near Orizaba in the state of Vera Cruz. This is the group which for the first time in its history has submitted to "avi" a non-Indian leader. The war office's announcement of a change in the organization of this Yaqui force was regarded as signifying the disappearance of Yaquis as separate units. Hereafter they will be part of the army. Colonel Enrique Morfin Figueroa has been assigned to the group under the new arrangement.

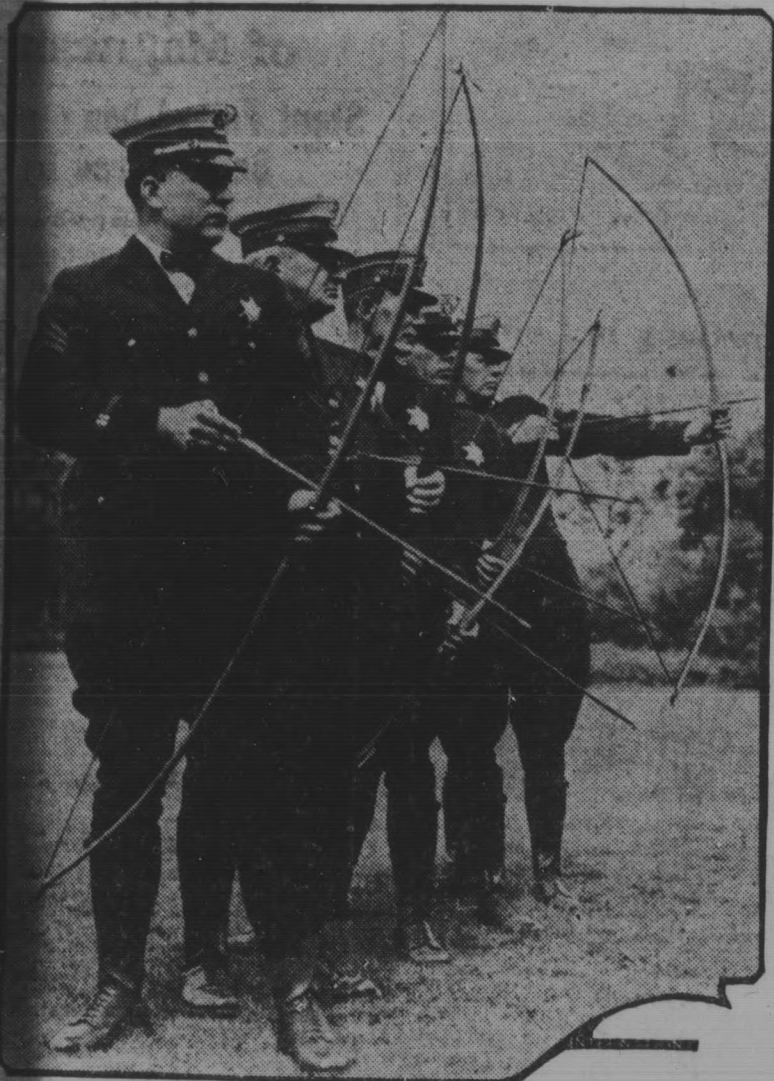

Manzo had on his front few constantly over Yaqui territory bombing and spreading terror. The federal planes drove the inhabitants of Bacatete, the capital, into the mountains and finally destroyed it.

NEW TRACK RECORD

Jimmy Reid, captain of the Harvard university track team, won the two-mile championship at the I. C. A. A. A. games at Philadelphia. Reid's time was 9:22, clipping 2-5 of a second off the record made by Ivan C. Dresser of Cornell in 1919.

Chicago Police Skilled Archers

South park police of Chicago have organized an archery club, and some of them are developing great skill with the bow and arrow. Here are five, of the best in an archery tournament in Jackson park.

New York to Be Record City

New York.—A great city of the future, providing for a population of 20,000,000 with its industries, schools, homes and facilities for comfortable living, is envisaged in the regional planning committee's report for a new and greater New York city.

The report contains proposals designed to meet a situation of continuous growth in the metropolitan area. It considers a city of 5,528 square miles in and about New York, and recommends a vast system of airports, parks, playgrounds, railway, highway, rapid transit and parkway communications, and the building of new bridges and tunnels wherever necessary.

The report was sponsored by the Russell Sage foundation at a cost of \$1,000,000 and represented the work of seven years. It was presented by George McAneny, a member of the regional planning committee, before the Engineering Societies' building. The regional plan looks ahead to 1965 and takes as its city 22 counties in and about New York. The area considered is a tenth that of England, as large as the state of Connecticut and nearly five times the size of Rhode Island.

WINS SONG HONORS

Miss Nancy Jenkins, seventeen years old, captured top honors at the Elstedsfeld held in Cleveland, Ohio, and is shown above with the cup she won. When only eleven years old Nancy sang in Wales before the prince of Wales and an audience of 25,000.

This world city, so vast that the mind of man had never before attempted to cope with such a problem, would be modeled not only for the efficiency of industry but for the happiness and welfare of its millions of inhabitants.

There would be parks, playgrounds, golf courses and boulevards, and enough transportation facilities so that the people could move about comfortably and live without undue crowding.

Since the future of aviation is "an unpredictable thing," the plan provides for 16 new airports, making a total of 33.

From these airports passengers would be coming and going in a steady stream. The motif of speed would be maintained in a metropolitan belt line, connecting with all railroads entering the region, so that all points of the city could be reached easily by rail, both by passengers and in the handling of food stuffs and freight.

The city would contain 421 separate communities. In the states of New York, New Jersey and Connecticut—all the territory within a radius of 50 miles from the New York city hall.

Frisco Chinese Become Stock Market Players

San Francisco, Calif.—No more is it "no tickle no washie" in San Francisco's Chinatown—it's just "tickle."

For the city's oriental population has become interested in the stock market and recently a Chinese newspaper carried for the first time in history the mysterious brokers' quotation symbols in Chinese.

One brokerage firm has organized a special Chinese department with a Chinese in charge. The Chinese are said to speculate mostly in groups dealing in 5,000 share lots.

Bans Sunday Auto Washing

Fall River, Mass.—As a result of the revival of an old blue law, Fall River motorists no longer will be permitted to have their automobiles washed at garages on Sunday. Police Chief Martin Feeney has issued the ancient statute and has indicated that it will be enforced even if it becomes necessary to make arrests.

SMART SPORTS DRESS

Gypsy colors are seen in the scarf that is tied smartly around the hip line of this white sports dress. A jungle green silk coat completes this ensemble, which is topped off with a pandora green baku hat.

DIPPING INTO SCIENCE

Both Ends Live

A worm still lives even though it is cut in two. This is because the worm is "constructed" differently than humans. The human nerve center is all located in one place—the brain—while in the worm the nervous system is scattered all through its body. Thus either half can live and function without the other.

Dean Says Scholarship Highest in Many Years

New Haven, Conn.—Dean Clarence M. Mendel of Yale believes scholarship is now on a higher scale than it has been in many years. Taking issue with recent statements of Chief Justice William Howard Taft, who denounced a decline in scholarship, Dean Mendel declared interest in college studies reached its lowest ebb between 1895 and 1905 but has shown a steady upward trend ever since.

All-Woman Affair

New York.—The painting of a huge sign in front of the Hotel Belmont is an all-woman affair. Ann Derickson, contractor, has girl assistants, college graduates, who wear knickers, sweater skirts and red bandannas.

Father Sage Says:

A woman is seldom in a position to command until after she has given her promise to obey.

Popular Green Foods

Grown for Centuries

One of the oldest vegetables in the annals of Egyptian origin. The dietaries of the Pharaohs used to swear by it, and lack of it was one of the complaints of the Israelites against Moses in the wilderness. Carrots, too, have a long history. The ancient Greeks held them to be particularly beneficial to consumptives, strengthening and fattening them and helping their cough.

Many of the comparative newcomers to the vegetable stand still have a record of centuries behind them. Spinach, though unknown to the ancients, has been cultivated in England since 1668.

The eggplant, a native of India, grew in England for more than 200 years before it appeared on the markets, from which it was kept on account of its evil name as a nightshade; and broccoli, with which Americans are just becoming acquainted, has been eaten for more than 100 years.—New York Times.

Severe Winter Hard on

European Wild Beasts

Poland's severe winter, colder than any for over 100 years, was felt even more by the wild beasts and birds in the woods than by human beings. The government took energetic steps in its huge forest properties to feed and protect the game, and in particular the rare animals which are in danger of extinction—elk, bears, beavers and a number of birds. The authorities are anxious lest these share the fate of the European bison, which survived in Polish forests until the confusion of war and revolution local peasants exterminated them. It was found, however, that where the forests contained wild boars, the game needed very little help. These animals, by constantly rooting with their snouts in the snow, laid bare the ground to such an extent that other animals were able to find food enough to sustain them.

Chance for Inventors

Efficiency engineers view with alarm the great amount of valuable material which is wasted in the tin cans which primarily contain food products of one kind or another and which find their way to the dump. The amount of tin represented is very considerable and should be put to better use. Consequently there is a call for something which will be a substitute for the tin can. The requirements are that the understudy should be light and of cheap production.

Poppy Day

The poppy is the official memorial flower of the American Legion. It is worn on Memorial day, which is the thirtieth of May. An annual poppy sale is conducted by the American Legion auxiliary just before Memorial day. The poppies sold by the auxiliary are, as far as possible, made by disabled veterans. The proceeds of the sale are used for rehabilitation and child welfare work.

As to Water Rights

There are all sorts of legal questions involved in the matter of the control of water. All navigable waterways belong to the public. The federal government has jurisdiction over lakes and rivers as regards their navigation; while the states have the jurisdiction in other matters. Ponds and brooks belong to individuals, subject to state regulations.

A Matter of Safety

For softening water in laundry and cleaning work 20 Mule Team Borax is efficient and safe. This old reliable brand should not be confused with so-called "Borax compounds" which are not pure Borax. For safety's sake ask for 20 Mule Team—Adv.

Drains Enrich the Soil

The vast sandy plain on which Berlin is situated provides a soil adapted to the working of the famous Berlin drainage system, established in 1870. Pumps send sewage from the city by radiating mains to surrounding farms 43,000 acres of which are under municipal control. All are under sanitary supervision.

"Cabinet Meeting" Now

"Sorry, but he's in a cabinet meeting just now." It's the newest stall in the office routine of Times square. The "cabinet meeting" supercedes the "conference" ever pulled, while "the long-distance" is now obsolete.—Variety.

No Fooling Her

He—One kiss from you, Miss Gladys, then I would gladly die. Miss Gladys—Yes, I know that story, and afterwards you'll continue to die, time and time again.

Many find Russ Ball Blue good tonic

for chickens. Large package at Grocers.—Adv.

"A Little Cocky"

Xavier Brunner, of Niedergergheim, Alsace, eighty-two, was a first sergeant when Marshal Foch was a recruit. "He was a cocky little devil," says the sergeant.

Offered Prayer for Old Car

Man—"Did they offer anything on your old car?" Owner—"Sure did. They took one look and offered up a prayer."

When a man looks into a mirror he imagines that he sees the reflection of a hero.

Explaining the Sounds

The Dinner Guest—Aha! I suppose your table is groaning with good things to eat. Little Bobbie—That ain't the table you hear growling. It's dad. He's been counting up what it cost to feed you.

Seasonal

"I suppose you've made your garden bed?" "Yes, and now I've got to lie about it."—Boston Transcript.

Every man is above the average—to hear him tell it.

SAME PRESCRIPTION HE WROTE IN 1892

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as today. People lived normal lives, ate plain, wholesome food, and got plenty of fresh air. But even that early there were drastic physical and purgative for the relief of constipation which Dr. Caldwell did not believe were good for human beings. The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they used just such a mild, safe bowel stimulant. This prescription has proven its worth and is now the largest selling liquid laxative. It has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds, fevers. At your druggist, or write "Syrup Pepsin," Dept. B, Monticello, Illinois, for free trial bottle.

Nevada as Turkey State

A flock of 60,000 turkeys was sent from the state of Nevada last year and the product will in all probability be greater next year, only to be exceeded by the following year. The mineral product of Nevada has been overshadowed in recent years by the agricultural industry and the raising of turkeys is a very important feature of the farming business. This section of the country is particularly suited for raising gobblers, on account of the dry climate in which the birds flourish. Heat, rain, and dampness are death to young turkeys. There are several co-operative organizations of turkey growers in the state.

Mosquito Bites

HANFORD'S

Balsam of Myrrh

Money back for first bottle if not satisfied. All dealers.

Practicing Up

"Why do you keep riding up and down on the elevator, madam?" "My son insists that I must fly with him, and I am trying to get used to the high altitudes."

Now That's Settled

"Do you think two can live as cheaply as one?" "Yes, but it takes more money to do it."

Terrible Situation

Pill—Was the street car crowded? Dickie—Crowded? Why, even the men had to stand.

A Perfect Day

IT'S NOT one that leaves you with a tired, aching feet. They will give you any day, but if you shake Allen's Foot-Ease into your shoes in the morning you will walk all day or dance all night in perfect ease. It takes the sting out of corns, bunions and calluses. Sold everywhere.

Allen's Foot-Ease

TAVERN LUNCH ROOM WITH MODERN

Home cooking, main highway, good food, big demand. Full equipment. CENTRAL INVEST. CO., 3084 W. Pine Blvd., Los Angeles.

Kill All Flies!

THEY SPREAD disease, carry germs, annoy you, and are a nuisance. Kill them with DANNY FLY KILLER. Guaranteed. DANNY FLY KILLER. Sold by your dealer.

Itching Skin

Scabies, Poison Ivy, Barber's Itch, Eczema, Ringworm, etc. Apply Vaseline. Itching Skin. Sold by your dealer.

W. N. U., San Francisco, No. 27-1929.

Explaining the Sounds

The Dinner Guest—Aha! I suppose your table is groaning with good things to eat. Little Bobbie—That ain't the table you hear growling. It's dad. He's been counting up what it cost to feed you.

Seasonal

"I suppose you've made your garden bed?" "Yes, and now I've got to lie about it."—Boston Transcript.

Every man is above the average—to hear him tell it.

Mothers find it magic for scuffs

One touch of the dauber and scuffs disappear. Smooth, uniform color comes back to faded shoes. More than 30 marvelous shades—50 cents. Colors for black, brown, tan and white shoes—a neutral polish for others.

BARTON'S DYANSH

DAUBER

MENLO PARK

N. D. G. W. To Hold Card Party
Menlo Park N. D. G. W. will give a card party on Wednesday evening, July 10th, in Masonic hall, Menlo Park. Admission 25c. Good prizes.

To Leave for South Africa
Michael Dougherty, the well-known farmer of Mountain View, is about to pull up stakes and leave for South Africa to engage in farming. If he likes the country, Mr. Dougherty is liable to remain there and spend the remainder of his years on the dark continent. He has passed the greater portion of his life in this community and is well liked by everyone.

Off for Canada
Alexander Walker, the Menlo Park councilman, left during the week for Canada to visit friends. He will be absent forty days. Walker is the stormy petrel of the council, making the meetings quite interesting and his repartees with Councilman Dale who sits opposite him at the council table. Their exchanges of sarcasm keep the audience in roars of laughter.

Loughran Lot To Be Sold
The old Loughran lot on Oak Grove avenue will be sold on July 29th, under foreclosure sale. The amount for which it will be sold is \$4000. The mortgage is held by the McCrory estate. The owner of the property is H. H. McPike, who accedes to the sale.

NOTICE
Having purchased Two Girls Kitchen from J. W. Miller on June 24th, I will not be responsible for accounts contracted prior to that time.

ROSE COE
June 28-31.

quired the land several years ago in a fee. It is a choice holding and no doubt there will be spirited bidding for it when the sale takes place.

Leave For Fresno
Mrs. C. F. Miller sold her home on Pine street and has moved to Fresno. Before leaving her friends gave a farewell reception. Mrs. Miller and her interesting family made many friends while here.

They Saw Bears!
D. E. O'Keefe, accompanied by Mrs. James T. O'Keefe, Edward O'Keefe and Miss Marcella O'Keefe, returned during the week from a trip to the Nordheimer mines in Siskiyou county owned by O'Keefe Brothers for many years. The party was met at the property by Jack Tuttle, Harry Sullivan and Harold O'Keefe. All had a delightful time in hunting and fishing. The limit in trout was secured almost every day by the fishermen of the party. In the evening stillness deer could be seen coming down from the mountains to drink in the cooling streams that run through the property. Two bears were seen but they scampered away to their retreat in the mountains when they observed the visitors from the peninsula. The animals are harmless and will not fight unless cornered.

Tale Alto K. of C. to Hold Retreat
Palo Alto Council Knights of Columbus will hold a retreat at El Rio, Los Altos, beginning on July 31 and continuing for three days. Many from here will make the retreat conducted by the Jesuit fathers.

Exchange Club To Give Dance
On July 10, the Exchange Club will give a dinner dance at Cafe de Paris at Atherton. Prominent speakers will be present. Several new members will be taken into the club at the dinner.

NOTICE TO CREDITORS

No. 4823

ESTATE OF JAMES M. WEIR, Deceased.

Notice is hereby given by the undersigned, Administratrix of the last Will and Testament of James M. Weir, deceased, to the creditors of and all persons having claims against the said decedent, to file them with the necessary vouchers within four (4) months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, County of San Mateo, in and for the County of San Mateo, or to exhibit them with the necessary vouchers within four (4) months after the first publication of this notice to the said Administratrix at her residence, No. 1377 Bernal Avenue, in the City of Burlingame, County of San Mateo, State of California, which said address the undersigned selects as her place of business in all matters connected with said estate of James M. Weir, deceased.

MARY WEIR,
Administratrix with Will annexed of the estate of James M. Weir, deceased.
Dated: Burlingame, California, June 27, 1929.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

PROBATE

No. 4841

Notice of Time Appointed For Probate of Will

In the Matter of the Estate of ROBERTA LEE MOORE, Deceased.

Notice is hereby given that Thursday, the 25th day of July, A. D. 1929, at 10 o'clock A. M. of that day, and the Court Room, Probate of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of said Roberta Lee Moore, deceased, and for hearing of the application of Herman R. Holmes for the issuance to him of Letters Testamentary thereon.

ELIZABETH M. KNEESE, Clerk

By E. L. FALVEY, Deputy Clerk

FRANK R. CAIN, Attorney for Petitioner, Menlo Park, California.

of sale and decree of foreclosure issued out of the Superior Court of the County of San Mateo, State of California, on the 27th day of June 1929, in the above-entitled action, in said Superior Court, wherein the above-named plaintiff obtained a judgment and decree of foreclosure against the said defendants on the 1st day of June 1929, which said judgment and decree was on the 1st day of June 1929, recorded in judgment book 22 of said Court, at page 3, to which judgment and decree reference is hereby made for the terms, conditions, and manner of sale, and the amounts due, I am commanded to sell all that certain lot, piece or parcel of land, situate, lot, piece or parcel of land, situate, in and being in the Town of Menlo Park, County of San Mateo, State of California, and bounded and described as follows:

Portion of Lot 188 as designated on the map entitled "Plan of the lands of the Menlo Park Villa Association Southern Portion of Pulgas Rancho San Mateo County," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on September 4, 1923, in Volume "C" of Maps at page 6, more particularly described as:

COMMENCING at a point on the Southeast side of Oak Grove Avenue distant thereon 161 feet 7 3/8 inches Northeast from the intersection of said Southeast side of said Oak Grove Avenue with the easterly side of the County Road leading from San Francisco to San Jose; thence on said Southeast side of Oak Grove Avenue North 31 1/2° East 61 feet and 7 3/8 inches; thence South 58 1/2° West 61 feet and 7 3/8 inches; thence North 58 1/2° West 170 feet to the place of beginning.

And public notice is hereby given that on Monday, the 29th day of July, 1929, at 11:00 A. M. of that day, at the front door of the County Court House in the City of Redwood City, County of San Mateo, State of California, I will, in obedience to said order of sale and decree of foreclosure, sell the above described property, or so much thereof as may be necessary to raise sufficient money to satisfy said judgment, with interest and costs, to the highest and best bidder, for lawful money of the United States.

Dated Redwood City, July 1st, 1929.

Committee Planning For Many
Dramas. "There'll Be A Hot
Time In The Old Town Tonight"

Mark the day evening by a committee of out-
of-town merchants, and the fol-
lowing places awarded:

The grand prize was awarded to
H. B. Gardiner, whose window, not
only showed originality, but dis-
played to advantage the various in-
dustries of Redwood City and their
products.

The first prize for originality was
awarded to Dr. C. E. Penes, whose
window exemplified the progress
made in eye glasses and also in ar-
tificial illumination. The second
prize was awarded to Clemens
Shope. For the most attractive
window, the first prize was awarded
to J. P. Hearne's dry goods store.
The second was awarded to Day's
Beauty Shop.

In the division of food stores the
first prize for the most attractive
window was awarded to the Univer-
sity Creamery, and the second to
Skaggs Safeway Store. For origi-
nality in food store display, the first
award was made to the Sequoia
Bakery and the second to the Red-
wood City Creamery.

In addition to those mentioned by
the judging committee some of the
local stores had beautiful and origi-
nal window displays. Notable among
these was that of Montgomery Ward,
whose window portrayed the en-
trance into Redwood City, and was
exceedingly well done.

ROSCOE STEPHENS IN CONVENTION REPORT

Roscoe Stephens, who returned
last week from Minneapolis, where
he went as a delegate from the
Redwood City Kiwanis Club to the
Kiwanis International convention,
on Wednesday gave a report of the
convention. Stephens reported that
of 40 honorable mentions for out-
standing clubs in the 20 Kiwanis dis-
tricts of the United States and
Canada, 21 were from the California
Nevada district.

The fifth birthday of little Billie
Boos was the occasion for a happy
party last Friday at the home of his
parents, Mr. and Mrs. William Boos
on Oakdale street. Those present
were Mrs. Jack Poole and daughter,
Jacqueline; Mrs. Claud Peavey and
children, Merrill and Claudia; Mrs.
John Isaac and son, John; Mrs. Ed-
ward Grenfell and daughter, Gloria;
Mrs. Wallace Smith and daughter,
Doris Mae; and Billie and Robt.

ANITA PAGE

REDWOOD CITY holds open house. The Redwood City Progress Celebration is the city's party to which you are individually invited and will be welcomed. We hope that you will accept this invitation and join with this community in celebrating this festive occasion.

The Redwood City Progress Celebration, is as its name would suggest, a celebration for the progress which this city has made during the past few months, and no city in the state has more real development to show for the same period. Particularly is this a celebration of certain improvements which have been made in the business section — the opening of Broadway, the widening of Broadway and Main street and the erection of new electroliers on these streets. These are improvements of which any city might well be proud. The merchants of Redwood City are proud of these improvements and are proud of the type of stores and the class of business houses which we have here in Redwood City. For this reason they invite you to this, their festival of celebration.

The Redwood City Progress Celebration is made possible by the merchants and business people of Redwood City. It is their party, planned for your enjoyment; and to you they extend, through the advertisements in this section, a sincere

WELCOME

Home Owned Banks

bring the matter to a vote in six
people within the next six months.
The committee consists of Charles
D. Marx, J. F. Bixbee, George Kneese
C. L. Dimmitt, James S. James and
Oscar Weisgerber.

Miss Pearl Beere, Miss Edith Jor-
dan, Miss Nell Jordan, Mr. and Mrs.
Fred Taylor, Mrs. C. H. Locker, Miss

of warrants outstanding, it was an-
nounced today.
Of this sum, the federal govern-
ment will shortly contribute \$4,370-
000 under the Curry Act and the
state the balance.

Optimist. Prelude on "America
First." Anthem by Chorus Choir.
Mr. Fred Taylor at the organ.
Sunday School 9:45.
Cordial welcome to visitors.
No evening service.

MENLO

N. B. G. W. To Hold Card Party
Menlo Park N. B. G. W. will give a card party on Wednesday evening, July 10th, in Masonic hall, Menlo Park. Admission 50c. Good prizes.

To Leave for South Africa

Michael Dougherty, the well-known farmer of Mountain View, is about to pull up stakes and leave for South Africa to engage in farming. If he likes the country, Mr. Dougherty is liable to remain there and spend the remainder of his years on the Jack continent. He has passed the greater portion of his life in the community and is well liked by everyone.

Off for Canada

Alexander Walker, the Menlo Park councilman, left during the week for Canada to visit friends. He will be absent forty days. Walker is the sunny pet of the council, making the meetings quite interesting and his rapport with Councilman Dale who sits opposite him at the council table. Their exchanges of remarks keep the audience in roars of laughter.

Longhouse Lot To Be Sold

The old Longhouse lot on Oak Grove avenue will be sold on July 20th, under foreclosure sale. The amount for which it will be sold is \$4000. The mortgage is held by the Mechanics' National Bank. The owner of the property is E. H. McKee, who is a well-known resident of Menlo Park. He is a member of the Menlo Park Country Club and is a well-known figure in the community.

NOTICE

Having purchased Two Girls' Kitchen from J. W. Miller on June 20th, I will not be responsible for amounts contracted prior to that date.

MENLO

N. D. G. W. To Hold Card Party
Menlo Parlor N. D. G. W. will give a card party on Wednesday evening, July 10th, in Masonic hall, Menlo Park. Admission 25c. Good prizes.

To Leave for South Africa
Michael Dougherty, the well-known farmer of Mountain View, is about to pull up stakes and leave for South Africa to engage in farming. If he likes the country, Mr. Dougherty is liable to remain there and spend the remainder of his years on the dark continent. He has passed the greater portion of his life in this community and is well liked by everyone.

Off for Canada
Alexander Walker, the Menlo Park councilman, left during the week for Canada to visit friends. He will be absent forty days. Walker is the stormy petrel of the council, making the meetings quite interesting and his repartee with Councilman Dale who sits opposite him at the council table. Their exchanges of sarcasm keep the audience in roars of laughter.

Laughlin Lot To Be Sold
The old Laughlin lot on Oak Grove avenue will be sold on July 29th, under foreclosure sale. The amount for which it will be sold is \$1000. The mortgage is held by the McCarty estate. The owner of the property is H. H. McPike, who is a resident of San Francisco. He is waiting for short-hour suit at lunch counter Pratt-Low.

day evening by a committee of out-
of-town merchants, and the fol-
lowing places awarded:
The grand prize was awarded to
H. B. Gardiner, whose window, not
only showed originality, but dis-
played to advantage the various in-
dustries of Redwood City and their
products.

The first prize for originality was
awarded to Dr. C. E. Penez, whose
window exemplified the progress
made in eye glasses and also in ar-
tificial illumination. The second
prize was awarded to Clemens
Shopp. For the most attractive
window, the first prize was awarded
to J. P. Hearne's dry goods store.
The second was awarded to Daye's
Beauty Shop.

In the division of food stores the
first prize for the most attractive
window was awarded to the Univer-
sity Creamery, and the second to
Skaggs Safeway Store. For origi-
nality in food store display, the first
award was made to the Sequoia
Bakery and the second to the Red-
wood City Creamery.

In addition to those mentioned by
the judging committee some of the
local stores had beautiful and origi-
nal window displays. Notable among
these was that of Montgomery Ward,
whose window portrayed the en-
trance into Redwood City, and was
exceedingly well done.

ROSCOE STEPHENS IN CONVENTION REPORT

Roscoe Stephens, who returned
last week from Minneapolis, where
he went as a delegate from the
Redwood City Kiwanis Club to the
Kiwanis International convention,
on Wednesday gave a report of the
convention. Stephens reported that
of 40 honorable mentions for out-
standing clubs in the 29 Kiwanis dis-
tricts of the United States and
Canada, 21 were from the California
Nevada district.

The fifth birthday of little Billie
Boos was the occasion for a happy
party last Friday at the home of his
parents, Mr. and Mrs. William Boos
on Oakdale street. Those present
were Mrs. Jack Poole and daughter,
Jacqueline; Mrs. Claud Peavey and
children, Merrill and Claudia; Mrs.
John Isaac and son, John; Mrs. Ed-
ward Grenfell and daughter, Gloria;
Mrs. Wallace Smith and daughter,
Doris Mae; and Billie and Robt.
Boos.

Michael Dougherty, the well-known farmer of Mountain View, is about to pull up stakes and leave for South Africa to engage in farming. If he likes the country, Mr. Dougherty is liable to remain there and spend the remainder of his years on the dark continent. He has passed the greater portion of his life in this community and is well liked by everyone.

Off for Canada

Alexander Walker, the Menlo Park councilman, left during the week for Canada to visit friends. He will be absent forty days. Walker is the stormy petrel of the council, making the meetings quite interesting and his repartee with Councilman Dale who sits opposite him at the council table. Their exchanges of sarcasm keep the audience in roars of laughter.

Loughran Lot To Be Sold

The old Loughran lot on Oak Grove avenue will be sold on July 29th, under foreclosure sale. The amount for which it will be sold is \$4000. The mortgage is held by the Palo Alto National Bank. The owner of the property is H. R. McKee, who ac-
